

## Directions to the Methacton Robotics Event, April 16

Methacton High School  
1005 Kriebel Mill Road  
Eagleville, PA 19403

Directions starting at the intersection of Germantown Pike and Kriebel Mill Road (there's a traffic light there).

- Turn onto Kriebel Mill Road and make the second left. The first left is a short driveway to our school district's admin building. The second left is a larger driveway leading to student parking and the gym.
- Continue on the driveway until the high school on your right. Then look for parking on your left.
- We are in the main gym. The entrance to the gym is toward the back of the building.

If you see a lot of school buses or find yourself driving on the football field, you've gone too far and missed the gym.
